Casa Grande Private Limited is a Chennai based real estate enterprise started in 2004 and driven by a strong belief in building aspirations and fulfilling them. This is manifest in the 1.5 million sq. ft. that it has developed and sold till date. Indeed, one thousand fulfilled aspirations across twenty four projects is a paradigm in itself.

Casa Grande defines, designs and develops quality living spaces and operates in niche residential segments like luxury villas in Chennai and Coimbatore and luxury apartments in Chennai and Bengaluru.

The company also sells plotted development spaces. Projects in the pipeline are to the tune of around ₹ 600-700 crores in the luxury apartments and villa category. In the coming years Casa Grande will be targeting to build 1.5 million sq. ft. in various segments.

Casa Grande, an ISO certified company, is run by a young management team. It is on an aggressive growth path with plans to strengthen presence in cities like Bengaluru and Coimbatore.

Casa Grande is proud to present its latest and truly exclusive villa project.
